CARL'S TABLE®

Carl's Table is the most advanced radiology workstation developed so far. Adjust the height and tilt of the work surface with the push of a button so you can work comfortably throughout the day — sitting, standing, or reclining. Features include a noise-reducing privacy panel and an integrated lighting system that reads the density of your screen images and automatically adapts to reduce eye fatigue.

Its innovative design and usability earned Carl's Table *Best of NeoCon 2008*, awarded by international leaders in product design.

The adjustable Carl's Table CT12 allows Juan to comfortably change positions throughout the day from sitting, to standing, to reclining.

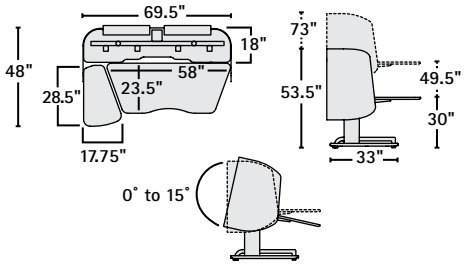
PRODUCT SPECIFICATIONS

Tested for safety: CT12 and CT03 are ETL-listed to UL Standard 60950 for the US and Canada.

Colors: See the info with each product for available product colors. See Color Choices at the top of the following pages for available colors.

Warranty: CT03 and CT12 have a Lifetime Warranty against manufacturing defects on the table; two-year warranty on mechanical and electrical components. The power cord, light bulbs, and worksurface pad are not warranted. CT Cart has a two-year warranty on the column, lifetime on the cart. All warranties are against manufacturing defects.

CT12



- Comes with 2 electrically controlled shelves (1 monitor, 1 keyboard) with height and tilt adjustments, side shelf, back Privacy Panel, 2 height-adjustable legs, CPU holder, footrest, 2 background lights, 2 LED task lights, 2 control panels, powered USB hub, Air Ventilation System with 2 adjustable air ports, Monitor Control System™ with 3 monitor brackets and cable management troughs, 3 power strips with 14 outlets, and a 10' power cord with cable management sleeves.
- With up to 100 programmable preset positions, you can record your favorite work position then just enter your code when you sit down to work. The table will automatically adjust to your settings.
- The unique Monitor Control System™ adjusts the height and depth of the monitor bar with push-button control. Comes with installation points for up to 3 monitors; easily upgrades to support up to 5 monitors.
- An adaptive lighting system uses a sensor to automatically adjust the ambient light in the workstation to the image on the screen to help reduce your eye fatigue. Two task lights illuminate the work surface.
- A Privacy Panel shields you from distractions, reduces glare, and diminishes noise up to 35%.
- The Air Circulation System has two adjustable vents at each side of the table to keep gentle air flowing around you, refreshing you while you work.
- The easily-accessed powered USB Hub allows you to plug in up to 3 peripherals.
- Shelves are available in Dark Grey (DG) or Wenge (WE) laminate.
- As part of the package, one of our knowledgeable Field Service Engineers will travel to you to oversee the installation of the table and show your staff how to use it.

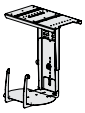
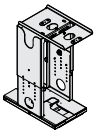
CPU HOLDERS



STANDARD

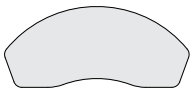


SUPER

- Add a second CPU to your Carl's Table. Installs on the left or the right, opposite the CPU holder that comes with your Carl's Table.
- All-metal holders move up and down with the table and integrate into the table's safety system.
- Standard Holder has a weight capacity of 80 lbs. and CPUs 7-10"wide, 10-20" high.
- Super Holder has a weight capacity of 80 lbs. and CPUs 6.75"-8.5"wide, 17.5"-22" high, and up to 22" deep.
- Available in Silver Metallic (SM) only.

PRODUCT	Weight	Part #	Price
CT CPU Holder - Standard	17 lbs.	367SM	$159.95*
CT CPU Holder - Super	42 lbs.	679SM	$259.95*

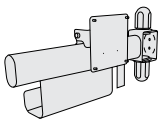
KEYBOARD SURFACE REPLACEMENT PAD



- If needed, replace the pad on the keyboard surface with this pad. It's exactly like one that comes with the CT12 table and matches the contour of every Carl's Table keyboard surface.
- Choose the Dark Grey (DG) version for CT03 and CT08 or the Dark Grey (DG) version for CT12. Choose the Wenge (WE) version for the Wenge CT12.

PRODUCT	Weight	Part #	Price
Pad	8 lbs.	475xx	$299.95

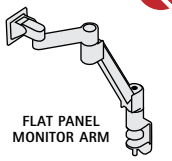
MONITOR CONTROL SYSTEM OPTIONS - FOR CT12



MONITOR EXTENSION, MEDIUM

MONITOR KNUCKLE

MONITOR VERTICAL EXTENSION



FLAT PANEL MONITOR ARM

- Customize your Carl's Table CT12 with options to support and adjust your monitors. CT12 comes with a 33" long center boom, one medium (15" long) monitor extension, and three standard monitor knuckles.
- Add a second Monitor Extension and install it on the opposite end of the central monitor boom to hold more displays. Comes with one standard monitor knuckle. Monitor Extensions available in three sizes: small (10.5" long), medium (15"), and large (22"). The small and medium monitor extensions support up to 35 lbs. The large monitor extension supports up to 25 lbs.
- Add knuckles to your CT12 to hold more displays. Attaches to the central monitor boom or Monitor Extension. Your table comes with three knuckles; add or replace to fit your array. Standard knuckle supports displays up to 35 lbs. Super knuckle supports displays 25-60 lbs. and comes with 9" tray to hold transformer brick; use it on center boom only. Vertical Extension supports two displays, one above the other, up to 35 lbs. total and up to 17" apart, center to center. Comes with VESA 75mm and 100mm pattern. Knuckle slides into the monitor track with 7" height adjustment in 1" increments (21" long track on the Vertical Extension).
- Each knuckle comes with a 15-ft DVI-D cable to route from your display to the table's cable management system and to your computer. Routing your power and data cables through the table's cable management system ensures that your equipment stays plugged in through the table's entire range of motion, without disconnecting or damaging the ports. This cable is capable of transmitting resolution value of 2560x160 at 60 hz.
- Want to add even more displays to your CT12? Add a Flat Panel Monitor Arm and attach it to CT12's Coffee Surface. Perfect for RIS or voice system monitors. Standard and Super Arms are available in Black (BK) or Silver Metallic (SM). Light Arm is available in Black (BK).

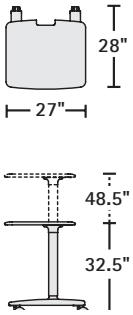
CT CART

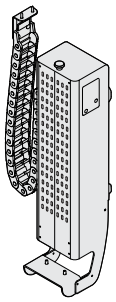


- Strong CT Cart supports 150 lbs. overall, and is available in 2 models: Light Load (balanced to lift 35-50 lbs.) and Heavy Load (balanced to lift 50-95 lbs.) Include the weight of accessories and your equipment when choosing the right model for you.
- Comes with contour laminated shelf, gas cylinder with height-adjustment lever, H-shaped metal base with four 4" casters (two locking).
- Large shelf is 27"w 23.5"d and provides plenty of room for keyboard, mouse, and paperwork. Curved edges on all four sides are comfortable against your arms when keyboarding.
- Compact footprint (27"w 28"d) fits into tight spaces like OR, ER, and patient rooms.
- Available in Grey Metallic (GM) with Dark Grey (DG), Maple (MP), or Wenge (WE) laminate.

PRODUCT	Weight	Part #	Price
CT Cart - Light Load	70 lbs.	CTAL27zz/xx4	$1,199
CT Cart - Heavy Load	70 lbs.	CTAH27zz/xx4	$1,349

CT CART ACCESSORIES

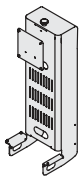
CABLE MANAGEMENT SYSTEM



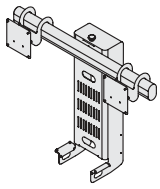
- Protect power cords and data cables as you adjust the cart up and down.
- Articulating cable chain runs between the work surface and the roomy cable enclosure below.
- Ventilated all-metal enclosure (5.5"w 4.5"d 17.5"h) installs on the base behind the column. It provides plenty of room to store cords and cables out of sight to protect them from snagging. Ventilation holes also allow installation of a power strip or surge protector, (sold separately).
- External cable wrap on the back of the enclosure provides additional cable management.
- Available in Grey Metallic with Silver Metallic accent.

PRODUCT	Weight	Part #	Price
Cable Management System	17 lbs.	CCMGS	$259.95

FLAT PANEL MONITOR MOUNT - CT CART



SINGLE MONITOR MOUNT

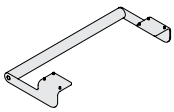


DUAL MONITOR MOUNT

- A choice of Monitor Mounts matches your cart's hardware to your equipment. All mounts start with a large ventilated all-metal cable enclosure to organize cables and store transformer bricks.
- The Single Monitor Mount features a tilt-and-swivel head and comes in 2 strengths: Standard and Xtra-Heavy Duty.
- The Dual Monitor Mount supports two PACS monitors (up to 22" wide) on a strong metal rail. The threaded holes on the rail provide a selection of installation points so you set the spacing of the monitors. Tilt-and-swivel heads position the monitors for comfortable viewing.
- For even more adjustment, add a Flat Panel Height Adjuster to adjust the height of your monitors up to 9", independent of the cart height. Only works with the Single Monitor Mount - Standard and Dual Monitor Mount.
- Monitor Mounts are available in Grey Metallic with Silver Metallic accent.

PRODUCT	Supports Monitors Weighing	Weight	Part #	Price
Single Monitor Mount - Standard	up to 22 lbs.	9 lbs.	CMSSGS	$239.95
Single Monitor Mount - Xtra HD	up to 70 lbs.	13 lbs.	CMSXGS	$649.95
Dual Monitor Mount	up to 22 lbs. per mount	19 lbs.	CMDSGS	$389.95
Flat Panel Height Adjuster - Universal	up to 22 lbs.	4 lbs.	765SM	$129.95

HANDLE



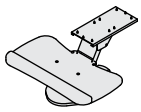
- The 18" wide metal handle has a round, comfortable grip that makes the cart easy to steer. Attaches to the cart with six screws.
- Available in Grey Metallic.

PRODUCT	Weight	Part #	Price
CT Cart Handle	3 lbs.	CHGM	$59.95

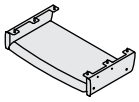
CUSTOM COMFORT FITTING

One of our friendly Field Service Engineers will personally handle the Carl's Table installation to take the pressure off of you and confirm that the table is performing optimally.

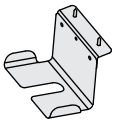
KEYBOARD & MOUSE SOLUTIONS



COMPACT KEYBOARD AND MOUSE CADDY



KEYBOARD DRAWER



MOUSE HOLDER

- Choose optional accessories to store your keyboard and mouse and leave the work surface clear.
- The retractable Keyboard and Mouse Caddy adjusts up to 6" below the work surface and tilts 20° positive and 20° negative so it's easy to find a comfortable keyboarding position. An integrated cushioned wrist rest supports your wrist while typing, and an incorporated swing-out mouse shelf is 8" across to provide a handy space for your mouse.
- The Keyboard Drawer (20"w 9"d) moves in and out on smooth ball-bearing glides; the front of the keyboard surface features a curved edge that's comfortable against your arms. Add the Mouse Holder for your mouse; it attaches to the side of the Keyboard Drawer to keep your mouse secure as you move the cart from room to room.
- Keyboard and Mouse Caddy comes in black phenolic. Keyboard Drawer is available in Dark Grey (DG), Maple (MP), and Wenge (WE) finishes.
